Decorative Foliage
& Flowering Plants

174 SOUTH GROVE ST.
East Orange
NEW JERSEY

To My Patrons

IN compiling this list of *Decorative Foliage* and *Flowering Plants*, a selection of the most decorative and interesting species and varieties for the plant lover was made. Their adaptability to thrive and meet the conditions of general private greenhouses or conservatories has also been carefully considered.

I have available, other rare greenhouse plants in limited quantities and would be pleased to receive your inquiries for your requirements.

Assuring my customers of the same high standard of quality which has recommended their past patronage.

Thanking you for past favors, and trusting to have a continuance of same.

EDWARD A. MANDA.

Decorative Foliage Plants

DECORATIVE FOLIAGE PLANTS—Cont'd

	Each	Doz
BEGONIA REX. A very beautiful, many colored leafed pot plant, in twelve varieties. Easily propagated.		
Strong plants	1.00	9 00
Larger plants	3.25	36 00
CISSUS DISCOLOR. A good greenhouse climber, beautiful foliage mottled silver and purple, rare.		
Strong plants	3.75	42 00
Larger plants	5.25	60 00
CROTONS. Broadleaved, trilobed and narrow leafed. A well colored foliage plant suitable for baskets and window boxes, also makes a wonderful specimen. Collection contains more than fifty varieties.		
In variety, Strong plants	2.25	24 00
Larger plants	4.50	48 00
Specimen plants, \$5.00 & \$10.00 each.		
CYPERUS Alternifolius (Umbrella plant) This easily growing plant may be grown as a sub-aquatic.		
Strong plants	1.25	12 00
Larger plants	2.75	30 00
Alternifolius Variegated. A variegated form of the above.		
Strong plants	1.75	18 00
Larger plants	2.75	30 00
DIEFFENBACHIA. This special plant, though very little grown, should be in every Foliage Plant collection. The broad leaves variegated and spotted white, make excellent specimen pot-plants. Does well in warm temperature. In the following varieties:		
Barraquiniana, mid-rib white, scattered white spots.		
Bausei, yellowish green, blotched dark green and spotted white.		
Braziliensis, light green, spotted white.		
Strong plants	2.25	24 00
Larger plants	4.75	54 00

DECORATIVE FOLIAGE PLANTS—Cont'd

DRACAENA

	Each	Doz.
Deremensis Warneckii (Newell). A good specimen with lots of color for the season. Very broad greyish green. Strong plants.		
Strong plants	3 25	36 00
Large plants	5 25	60 00
Fragrans (Newell). Long dark-green leaves. Makes tall plant, not short.		
Strong plants	2 75	24 00
Large plants	5 25	60 00
Fragrans Massangeana . Same as the above with a light strip through the center of each leaf.		
Strong plants	3 25	36 00
Large plants	6 25	72 00
Special plants \$75 & \$100 each.		
Godseffiana . Flowsy different habit of growth from other Dracaenas. The leaves are small, leather-like, spotted with white. A very good grower.		
Strong plants	3 25	36 00
Large plants	5 25	60 00
Indivisa . Long, narrow green leaves, used mostly for center of ferns and vases, for corners of window boxes.		
Strong plants	1 25	12 00
Large plants	3 25	36 00
Kellerii . A compact, bushy Godseffiana.		
Strong plants	3 75	42 00
Large plants	6 25	72 00
Mrs. Eugene Andre . Heavy bronze foliage. Yellow lines of rosy crimson.		
Strong plants	1 75	12 00
Large plants	4 25	48 00
President Roosevelt . Heavy bronze foliage.		
Strong plants	1 75	18 00
Large plants	4 25	48 00
Rothiana . Very robust grower. Leaves dark green of great substance. A very heavy house plant.		
Strong plants	2 75	30 00
Large plants	5 25	60 00
Sanderiana . Small green leaves edged white, especially adapted for baskets and corners of fern dishes.		
Strong plants	1 25	12 00
Large plants	3 25	36 00
Terminalis . Olive-green striped carmine. Yellow leaves brilliant pink.		
Strong plants	1 75	18 00
Large plants	4 25	48 00
Victoria . In growth similar to Fragrans. Leaves are golden yellow with green stripe through the center of each leaf.		
Strong plants	7 50	
Large plants	12 00	
Special plants \$15 00 to \$50 00 each.		

DECORATIVE FOLIAGE PLANTS—Cont'd

EUGENIA Maculophylla. (Maculophylla) A small tree with large, glossy, dark green leaves, and small, white, fragrant flowers. The fruit is a small, round, red berry.

Size: 10-15 ft. tall.

Light: Full sun to partial shade.

Water: Regular watering, but not overwatered.

PARFUGIUM (Parfugium) A small, bushy plant with thick, fleshy, green leaves and small, white, fragrant flowers. The fruit is a small, round, red berry.

Size: 1-2 ft. tall.

Light: Full sun to partial shade.

Water: Regular watering, but not overwatered.

FICUS Elasticoides. (Elasticoides) A small, bushy plant with thick, fleshy, green leaves and small, white, fragrant flowers. The fruit is a small, round, red berry.

Size: 1-2 ft. tall.

Light: Full sun to partial shade.

Water: Regular watering, but not overwatered.

Australis. (Australis) A small, bushy plant with thick, fleshy, green leaves and small, white, fragrant flowers. The fruit is a small, round, red berry.

Size: 1-2 ft. tall.

Light: Full sun to partial shade.

Water: Regular watering, but not overwatered.

Radicans Variegata. (Radicans Variegata) A small, bushy plant with thick, fleshy, green leaves and small, white, fragrant flowers. The fruit is a small, round, red berry.

Size: 1-2 ft. tall.

Light: Full sun to partial shade.

Water: Regular watering, but not overwatered.

Utilis. (Utilis) A small, bushy plant with thick, fleshy, green leaves and small, white, fragrant flowers. The fruit is a small, round, red berry.

Size: 1-2 ft. tall.

Light: Full sun to partial shade.

Water: Regular watering, but not overwatered.

Pandanus. (Pandanus) A small, bushy plant with thick, fleshy, green leaves and small, white, fragrant flowers. The fruit is a small, round, red berry.

Size: 1-2 ft. tall.

Light: Full sun to partial shade.

Water: Regular watering, but not overwatered.

PITTOLIA (Pittolia) A small, bushy plant with thick, fleshy, green leaves and small, white, fragrant flowers. The fruit is a small, round, red berry.

Size: 1-2 ft. tall.

Light: Full sun to partial shade.

Water: Regular watering, but not overwatered.

Argyrea. (Argyrea) A small, bushy plant with thick, fleshy, green leaves and small, white, fragrant flowers. The fruit is a small, round, red berry.

Peacock. (Peacock) A small, bushy plant with thick, fleshy, green leaves and small, white, fragrant flowers. The fruit is a small, round, red berry.

Versicolor. (Versicolor) A small, bushy plant with thick, fleshy, green leaves and small, white, fragrant flowers. The fruit is a small, round, red berry.

Size: 1-2 ft. tall.

Light: Full sun to partial shade.

Water: Regular watering, but not overwatered.

HELCONIA (Helconia) A small, bushy plant with thick, fleshy, green leaves and small, white, fragrant flowers. The fruit is a small, round, red berry.

Size: 1-2 ft. tall.

Light: Full sun to partial shade.

Water: Regular watering, but not overwatered.

HEMIGLAPHYLLA (Hemiglyphyllum) A small, bushy plant with thick, fleshy, green leaves and small, white, fragrant flowers. The fruit is a small, round, red berry.

Size: 1-2 ft. tall.

Light: Full sun to partial shade.

Water: Regular watering, but not overwatered.

ISOLEPIS (Isolepis) A small, bushy plant with thick, fleshy, green leaves and small, white, fragrant flowers. The fruit is a small, round, red berry.

Size: 1-2 ft. tall.

Light: Full sun to partial shade.

Water: Regular watering, but not overwatered.

DECORATIVE FOLIAGE PLANTS—Cont'd

	Each	Doz.
SANSEVERIA Laurenti. Leaves are long and sword shaped; mottled a greenish white. This and the following species are undoubtedly the toughest plants known. They live in water, or dry soil for an indefinite period; also dark rooms for months.		
Strong plants	3 25	36.00
Larger plants	6 25	72.00
Zeylanica Laurenti. This variety in addition to the variegation shown in the ordinary sort, has a band of creamy yellow varying from $\frac{1}{4}$ to $\frac{1}{2}$ inch on each edge of the leaves, which adds greatly to its decorative effect.		
		$\frac{1}{4}$
SCHISMATOGLOTTIS Roebelenii. Very much resembles Breffenbachia, foliage greyish green mottled.		
Strong plants	4 25	48.00
Larger plants	6 25	72.00
TRADESCANTIA Discolor. A well-known house plant, easily propagated.		
Ruscata. Large green leaves, under-side purple. Flowers purple.		
Reginæ in Variety.		
Any of the above, Strong plants	.75	7.50
Larger plants	1 25	12.00

FERNS

ADIANTUM (Maiden hair Fern). Very suitable pot plant for greenhouse purposes, or as a cut frond with cut flowers, especially with orchids.		
Cuneatum , fine leafed.	Croweanum.	
Capellis Venerus , dwarf.	California.	
Reginae , dwarf.	Wrightii , (long stemmed).	
		Dozen
	3 inch pot	\$6.00
	4 inch pot	12.00
	5 inch pot	18.00
Gloriosum Lemkesii. New beautiful type similar to Farleyense only cool growing.		
		Dozen
3 inch pots		\$10.00
4 inch pots		24.00
5 inch pots		48.00
ALSOPHILA Australis (Tropical tree fern). A splendid fern to grow into large plants for the greenhouse.		
	Each	Dozen
4 inch pots	\$1.25	\$12.00
6 inch pots	5 25	66.00
ASPARAGUS Plumosus. Known for its use for foliage when cut with cutflowers and decorative use in groups of flowering plants.		
	Dozen	100
2½ inch pots	\$2.25	\$15.00
3 inch pots	3.50	25.00
4 inch pots	6.00	40.00
Sprengeri. A useful frond for foliage with cut flowers. Makes an excellent hanging basket or window box.		
	Dozen	100
2½ inch pots	\$2.25	\$15.00
3 inch pots	3.50	25.00
4 inch pots	6.00	40.00

FERNS—Continued

ASPLENIUM Nidus-Avis Bird Nest Fern. This fern has several varieties well described by birds nest fern. Each Dozen.
 100 plants \$1.75 \$18.00
 200 plants 2.75 27.00
 500 plants \$7.50 to \$10.00 each.

CYRTOMIUM Falcatum B. of Fern. **Rochfordianum** Improved. Improved variety of *C. falcatum* with green. Each Dozen.
 100 plants \$1.75 \$18.00
 200 plants 2.75 27.00
 500 plants 7.50 75.00

CIBOTIUM Scheidei. One of the most beautiful ferns in the world. It is a very large fern. Each Dozen.
 100 plants \$1.75 \$18.00
 200 plants 2.75 27.00
 500 plants 7.50 75.00
 500 plants \$1.75 to \$2.50 each.

DAVALLIA Lucida. A very beautiful fern. A dwarf fern. Each Dozen.
 100 plants \$1.75 \$18.00
 200 plants 2.75 27.00
Fijiensis. A fine fern, though it is a little different. Each Dozen.
 100 plants \$1.75 \$18.00
 200 plants 2.75 27.00
 500 plants \$1.75 to \$2.50 each.

GONIOPHLEBIUM subauriculatum. Special hanging fern. Each Dozen.
 100 plants \$1.75 \$18.00
 200 plants 2.75 27.00
 500 plants \$1.75 to \$2.50 each.

NEPHROLEPIS. This fern is very rare and grows as a bush. The fern is one of the best of the ferns of the world.

Boston Fern	Scottii
Boston Dwarf	Roosevelt
Verona	Tuberosa Plumosa
Teddy Jr. Short Fern	Elegantissima compacta

Price, any of above Each Dozen
 100 plants \$1.75 \$18.00
 200 plants 2.75 27.00
 500 plants 7.50 75.00
 500 plants \$1.75 to \$2.50 each.

POLYPODIUM Mandaianum. This fern is introduced by Mr. W. A. Mandaian. It is one of the best of the ferns of the world. It is a very large fern. Each Dozen.
 100 plants \$1.75 \$18.00
 200 plants 2.75 27.00
 500 plants 7.50 75.00
 500 plants \$1.75 to \$2.50 each.

PLATYCERIUM (Staghorn Fern)
Alcicorne
Hillii majus
Aethiopicum
 500 plants \$1.75 to \$2.50 each

ASSORTED FERNS

Hybrids

AZALEA INDICA

Our most popular forcing greenhouse flowering plant, flowering from Xmas to Easter in the following varieties for fall delivery.

Blushing Bride, large pale rose flowers, spreading type

De Schryveriana, double rose flowers shaded red.

Empress of India, large semi-double rosy salmon

Jean Haerens, very double rosy carmine.

Jean Peters, double flowers of brilliant red

John Llewellyn, double light rose flowers.

Mme. Van der Cruyssen, semi-double pink.

Mons. Ernest Eckhoutte, large fringed double red.

Mrs. Frederick Sander, early double dark rose

Niobe, large double white, compact habit.

Mme. Petrich, fine large double bright rose, early

Mme. Petrich Superba. Double light pink, early

Pharailde Mathilde, large, double, white flowers spotted and striped red.

Prof. Walter, single pink flowers with darker center and fringed.

Simon Mardner, large double light pink, early.

Vervaeaneana, fine double rose salmon with white margins, early.

Vervaeaneana alba, large double pure white, early.

	Each	Dozen
Size 1, strong plants	\$3.25	\$36.00
Size 2, strong plants	4.50	50.00
Size 3, strong plants	6.25	72.00
Size 4, strong plants	10.00	110.00
Specimen plants, \$15.00 to \$30.00 each.		

AZALEA KURUME

A valuable addition to the Azalea group for winter forcing for flowering from Christmas to Easter.

Apple Blossom, a beautiful shade of pink.

Bridesmaid, glowing salmon produced in large clusters.

Bouquet Rose, rose pink.

Christmas Cheer, semi-double, crimson.

Coral Bells, coral pink.

Daybreak, light pink.

Debutante, glowing salmon pink.

Flame, reddish orange.

Mauve Beauty.

Peach Blow, delicate salmon-pink.

Pink Pearl, semi-double rosy-salmon.

Salmon Beauty, fine shade of salmon pink.

Snow, large pure white.

	Each	Dozen
Size 1, strong plants	\$2.25	\$24.00
Size 2, strong plants	4.25	48.00
Size 3, strong plants	6.25	72.00
Specimen plants, \$10.00 to \$25.00 each.		

DECORATIVE FLOWERING PLANTS

(Continued)

BOUGAINVILLEA glabra Sanderiana. This plant makes a splendid decorative flowering plant at Easter. Plant when in full bloom is covered with violet red flowers.

	Each	Dozen
Strong plants	\$2.75	\$30.00
Larger plants	5.50	66.00

Crimson Lake. More of a climbing habit than the above, with flowers in clusters of crimson.

Strong plants	\$3.75 each; \$40.00 dozen
Larger plants	\$5.00 and \$10.00 each

CAMELLIA (in variety). A plant when well flowered is covered with blooms three to four inches in diameter in colors of white, shades of pink and red. This plant desires a cool temperature during the winter months.

	Each	Dozen
Strong plants	\$3.75	\$40.00
Larger plants	6.25	72.00
Specimen plants	\$10.00 to \$40.00 each.	

CHORIZEMA Cordata. A pot plant with dainty flowers of orange and lavender shades, also a splendid cut flower.

	Each	Dozen
Strong plants	\$2.75	\$30.00
Larger plants	4.75	54.00

CLERODENDRON Balfourii Variegata. A splendid greenhouse climber, also used as a pot plant. Flowers in clusters of creamy white and carmine.

	Each	Dozen
Strong plants	\$2.25	\$24.00
Larger plants	6.25	72.00

CLIVIA (Imantophyllum). An attractive plant producing in clusters of ten to fifteen flowers of orange shades.

	Each	Dozen
Strong plants	\$2.75	\$40.00
Larger plants	5.25	60.00

DAPHNE Odorata. Flowers of this plant are very sweetly scented.

	Each	Dozen
Strong plants	\$2.75	\$30.00
Larger plants	4.25	48.00

EPIPHYLLUM Truncatum (Climbing type). An interesting climber, producing flowers of a beautiful color at the ends of drooping branches, winter flowering.

Strong plants	\$2.75 each; \$30.00 dozen
Larger plants	\$5.00 and \$7.50 each

ERICA (heather plants). A slow growing, bushy, flowering plant which in many varieties is covered with small flowers.

Melanthera. white, December and January

	Each	Dozen
Strong plants	\$1.75	\$18.00
Larger plants	4.50	48.00
Specimen plants	\$7.50 and \$12.00 each	

Cupressina. pink, spring flowering

Persolutea alba. white, winter

—rosea. pink, winter

Ovata. pink, winter

King Edward VII. Pink, winter

President Carnot. Pink, winter

	Each	Dozen
Strong plants	\$2.75	\$30.00
Larger plants	5.50	66.00

EUCHARIS Amazonica (Amazon Lily). A bulbous plant producing pure white flowers on long stems.

	Each	Dozen
Strong plants (of 2 or 3 bulbs)	\$2.25	\$24.00

GENISTA Racemosa. A splendid pot plant of yellow flowers for Easter decoration.

	Each	Dozen
Strong plants	\$2.75	\$30.00
Larger plants	5.25	60.00
Specimen plants	\$7.50 to \$15.00 each
